WHY REGISTER?

The money that is collected from your registration is used to pay for the hotel facilities we use during the convention, as well as associated service expenses. Some of these services include: rooms for meetings, banquets, dances, general supplies, printing the programs, and signs. The money also allows us to include small recovery-oriented items in each registration packet. The fees collected from registration are used to make this and future conventions possible.

NEWCOMER FUND

The number of newcomer registrations given out will correspond to the number of donations that are received. Newcomer registrations are reserved for newcomers with less than ninety days clean time, who can not afford the price of registration. Newcomers receiving a registration packet will be asked to give what they can to the newcomer fund. Registrations will be given away on a "first come - first served" basis during the hours posted at the registration table. In keeping with an Iowa Regional custom: "NO RESPONSIBLE ADDICT will be turned away." Once the newcomer fund is exhausted each case will be on a case by case basis.
