Greetings and Salutations;

Not much to report this month. Hawthorn Hill Management is still looking at alternative sites. Nothing definite, but it was reported in the paper that there are a couple promising looking buildings. Our committee members have been researching possibilities as well, and should be reporting next week.

We are still in need of a Vice-Chair. Just a reminder.

The shirts are in. Long sleeve T's are green and \$20.00 and the Sweats are grey and \$22.00.

Selling literature at the last dance was well received. This could become a habit.

Our next meeting will be 1-14-96 at 11:00 am. We have the new prices from WSO so we will be looking at our sale prices.

Balance on January 1 1996 \$1293.21.

Yours in Service,

Michael J. Matchinsky
