OFFICER'S REPORTS:

Chair- Not much to report this month. Only one item on the agenda from last month's business, that is the time change motion. We have had plenty of time to think about this motion. I will be asking the maker, and or the second of this motion for some clarity. Then we will take three pros and three cons in alternate order, or ten minutes of discussion, which ever comes first, then we will put this to a vote. It is my hope that we can carry out the business of the area in an orderly fashion while following the spiritual principles of this fellowship. Also, I will allow our our RDAH about 3 minutes to address the area following the RCM Alts report to address the area. ILS Dwayne S.

Vice-Chair- I would like to stary with an apology for my temper tantum that I threw last area. I have no excuses, I was wrong, PLEASE forgive me. We have a lot to do today. 4-ever grateful. Robby E.

Secretary- I hope that everyone got the minutes this month, I understand that some of you did not, as there we several people that approached me that needed minutes, either they did not get them, or they forgot them. I do not type them for my enjoyment. Please bring them with you. Alicia E.

Treasurer- Opening Balance: **\$1096.24** Thanks Debi D.

RCM- Verbal Report given, Written report available at next area.

Alt-RCM- Greetings Area, I attended the open forum at the IRSC meeting on June 5. It was fairly quiet. We discussed the idea of regional reimbursement for travel expenses to regional committee meetings, This was an interesting discussion, but really didn't get anywhere because it is a pretty broad issue. There was also, an earth shattering request made for air conditioning for the August region. This was dropped because it was just to controversial and to hot for discussion. There was also, discussion about

the motion made on behalf of our area concerning removal of the secretary. This discussion precipitated two motions made in the regional service committee that were declared out of order due to the fact that the trusted servant in question, was not under the jurisdiction of that body. It was great to see a strong SCANA presence at this service meeting, for those who were there, YOU ROCK! There are flyers for the next IRSC meeting and flyers I brought back for the SWINA retreat at Camp Aldersgate later this summer, out on the table. Thanks to Paul C. for making those 2 sided copies, these turned out well after I requested that he not put both sides of the flyer on the same side of the page. ILS Jay F.

SUB-COMMITTEE CHAIR REPORTS

Public Information- Greetings Area, I was unable to attend region yesterday. Our phonline coordinator (Pat D.) stepped up and represented SCANA PI. Thanks Pat, along with other members. There are 2 major conferences coming up #1 the Governors Health Fair and #2 a multi-regional conference dealing mainly with meth that region will be in attendance with a booth. Now to deal with our area. Several members of our PI are manning a booth in Ankeny at Soberfest. We will start a project to do a mass mailing to the clergy in our area. Today I will be passing out new 12 step and meeting ride list. Our phone line coordinator put a lot work to put them both on one sheet and added questions. GSR's please explain these sheets during your announcements every week for the next month and then please return them back to me at the next area in July ILS Lia B.

Hospitals & Institutions: Greetings Area, H & I is doing great after much discussion we settled our business in a timely order. Attendance and membership continues to grow. ILS Wayne R.

Literature & Archives- We met today and all is well. Archives are stored upstairs. Newsletter is out in August. Flyers are out now. We need new Lit Chair and Sec'y. Elections next meeting. In service to NA. Paul C.

Activities - Greetings Area. Activities went well today. First off, I would like to thank all of you that supported our memorial day picnic. A special thanks to each of you that helped make this event happen and/or helped clean up. We have begun our search for next year's location. Any suggestion's would be greatly appreciated. The June event (Hawaiian Dance) is next Saturday at Cottage Grove. Dig out your grass skirts and come get lei'd. Speaking of which, there were some concerns expressed about this particular theme not being appropriate for NA. This will be taken into consideration when planning next years theme. We will be holding a hug meeting with Whitney as our chair. We will not be holding a July event due to IRCNA. Our August event will be the annual camp out at Jester Park, August 20th – 22nd. Flyers for the event are out on the table. Our September event will be a dance, more will be revealed. October will be our annual bonfire, November Karaoke (with a reputable D.J.) and our December event will be a holiday dinner and dance tentatively scheduled for December 31st. ILS Jess V.

Area Service Office- Not a lot to report this month. Literature order and other housekeeping items. Our opening balance in May was \$1854.31, after our monthly activity today we have an opening balance of \$733.16 for June. The actual ASC treasury report is attached to this report. The usual reminders, Limited special needs parking and limited church parking, otherwise street parking only. Children must be accompanied by an adult at all times. Please pick up after yourselves and help gather things up after the ASC. If you are looking to get involved we open the doors at 8:30 am, set up and hang out. INS Steve M.

Ad-Hoc ASO Audit-, No Report, Robby E.

Ad-Hoc Policy Review- No Report

AdHoc IRCNA Bid – Greetings area, the first Ad Hoc committee meetings was held on May 15th 2004, here at this location. Those in attendance were Pat N.(Ad Hoc Chair), Christina N, Pat E., Bob H., Jamie L., Paul C., Debi B., and Steve > This is what was discussed 1) It was agreed upon that we would be conducted a search in 5 towns and not limiting our search for an adequate facility to just Des Moines. These towns being Newton, Ames, Ankeny, Marshalltown, and Des Moines. 2) A tentative timeline was discussed and the dates we are looking at are June 30, July 1 and 2, or July 7,8,and 9, 2006. 3)We also discussed other reasons like outside activities or why people would want to come to SCANA, but this will be omitted because IRCNA will sell itself. The next AD HOC Committee meeting will be held Saturday, June 12th at 6pm, at the site of the Hawaiian theme dance, 24th and cottage grove. Those interested in getting involved need only show up. ILS Pat E...

12:10 pm The Basic Meeting of NA – Hello to all from Ames Iowa. We were unable to produce an alternate GSR to attend today's regular ASO meeting. Sorry we had to miss the high drama of the meeting, but we are sending this with another member who will select literature for our group. The main news is that at the end of June we will change locations. The meeting is held in a treatment center and they are moving. This is a good lesson to practice Tradition 6 in the future. Although we plan to remain in central Ames and keep the noonish time slot, we do not know where we will be for sure yet, more will be revealed. In the mean time, please let other addicts know of this change will be coming, when directing newcomers to our meeting. We will not make a donation to SCANA today today as we may need rent funds for the new meeting place. Until next time, keep it simple, and God bless. ILS Mary of Ames.

We have taken a group conscious and it has worked out wonderfully. We have included an additional reminder in our meeting format that seems to have had an extremely positive response. It state "That this is a meeting of Narcotics Anonymous. In accordance with our 10th tradition, we have no opinion of, nor affiliation with any other organization. Therefore, it would be greatly appreciated if you limit your discussion to recovery in Narcotics Anonymous." As a result, the record keeping was done by a number of different people, so the figures I provide here may not be completely accurate. If they are not, I apologize in advance, and will bring corrected figures next month, if necessary. Assuming the \$95.48 is accurate, our reconciliation of those funds are as follows. Total income \$95.48, rent \$20.00, Literature \$32.45 Donation to area \$43.03 ILS AL
