Officer's reports:

Chair- Summer has finally arrived and the humidity is high. There will be a lot to go through today. I will ask that everyone be patient with each other. Just a quick thought that personal recovery, fulfillment, and genuine recovery do not come through human greatness and success, but through repentance and sincere humility. The most important relationships in life are not with the rich and famous but often with the lowly, the needy and those in recovery. Success is not measured by how much money you make or spend, but by how many people you have helped along the way. I ask that you try to help one another today. 4 ever grateful Robby

Vice chair- Greetings area, I sincerely apologize for not having the mail here on time. I will ensure the timely arrival of the mail from here on out. The audit committee met as scheduled with myself and one other addict in attendance- thank you Casey K.. we were able to review 4 months of last years books. I am asking today for 7 people to commit to attending the next session. We will choose a date and put out a flyer. ILS Kat

Treasurer- Opening Balance \$ 3068.02 if you grabbed my report earlier today you need to make some corrections. The deposit accounts actual balance is \$150.00 which in turns changes the totals on the bottom as follows: rollover \$1126.44. July beginning \$2402.97. I am also letting you know that I will not be here for the August SCASC. I will be out of town. I found someone to collect the money and write receipts. ILS Debi D.

Secretary-no report

RCM- Greetings area! Nothing to report as yet concerning the location of the next region. The Regional Convention was a good time, and it was a great experience for me despite the fact that there was no meat for breakfast on Saturday. It was great to see that once again SCANA was well represented. The region is looking to create a pool of experienced members of the fellowship who are willing to share that experience. I have a form supplies by the IRSC that I will pass out to members in this body and then to GSR'S TO TAKE BACK TO THEIR GROUPS. I WILL NEED THESE FORMS TO TAKE TO NEXT REGION. ILS. Jay F

RCM Alt.- I'll let you know when and where the next region is as soon as I know. ILS Lia B.

Subcommittee Reports:

Public Information- PI was productive today. We have elected a new vice chair, who will be Jeff G. Thanks Jeff. We have also appointed a new mailing coordinator who will be Fawn thanks. Yesterday we held the flier day in Winterset. Attendance was very good with 10 willing addicts. It quite well. We'll be planning another for Newton on August 6th. We've have some problems with not getting our mail early enough to be useful to us. Can we make arrangements to get mail during PI on area Sunday please? I don't intend to point fingers at anyone. We just need to have our mail when we met, so that we can attend to correspondence in a timely manner. It is our hope to do a flier day each month for communities in our area. If GSR's would like to see a flier day in your town, please come to PI or contact us and let us know. We welcomed Mel as a new member. ILS Al

H&I- Greetings area would like to remind everyone that next Saturday is our H&I learning day. Here at 1pm. Make sure everyone who wants to get involved is aware of the learning day. Tell everyone you know. There will be food. Please tell everyone to get involved. We have 2 new members. We donated 5 books to Mecca. We spent \$155.00 for literature. We have 2 new coordinators. ILS Donna F.

We received 2 new submissions for the "No topic" newsletter, this is the most submissions we have received we truly appreciate all the efforts that was put into your submissions. The new topic for the newsletter is "UNITY" let's hope that the submissions are just as forthcoming. The newsletter is going to print this month and will be available at next area. We need to congratulate Tya B. as our new secy. We have finally voted on a policy and it will be ready to submit to area soon. ILS Alicia E.

Activates Greeting SCANA, activates went well this month. We have approved a policy for the Activities subcommittee (see attached). Fliers for our annual campout are out on the table, hope to see you all there. We will be having a Karaoke/Dance in September. Fliers for this event will be available at next area. We will be holding a bonfire/meeting in October, more will be revealed. Our November event will be a Gratitude Dance and we will be holding our annual Holiday dinner and dance on December 31st, more will be revealed. Many thanks to those of you that continue to support our local NA events. ILS Jess F.

Area Service Office- Greeting we met briefly last month. Did the lit order. Discussed house-keeping items including, asking for research on a new copier, further discussion later today. We meet directly following clean-up of the ASC-please clean up after yourself and clean up as a whole. Please show up this evening and get involved with the ASO. PS no treasurer report at this time.

Ad-Hoc Inventory- as some of you may (or may not) recall, we asked this service body a couple of months ago for input on how to proceed. Thus far we've heard nothing. I assume this means no one cares what we do. Because of this we'll be planning a committee meeting, and we'll proceed as our conscious guides us. More will be revealed. ILS Al L.
