Treasurer –attached

Secretary: well it was an interesting year, a valuable learning experience, and very beneficial to my recovery. I had thought about telling everyone who acted like a bunch of little biatches to go f**k off, but since I just turned 30 and I'm supposed to be mature, I decided against that. Instead, I would like to say thanks to all who helped me learn the ins and outs of this service position. I took a personal inventory and can honestly say I fulfilled this position to the best of my ability. If I ever decide to take on this position again there are some things I would do differently, but quite a lot that I wouldn't. It was actually a fun year. Thanks to everyone who was supportive and understanding about the Oct minutes due to my aunt's death in September. Your kindness will not be forgotten. Please be easy on our new secretary, at the very least for a month or two at any rate. ;)

ILS, Victoria R.

RCM ALT-

Public Information- I am grateful to have served as chair this past year and look forward to continuing to serve in 2007. PI rocks. Check us out at 10:30 am before each ASC meeting. It was brought to our attention that only 1 of 4 Thursday night meetings opened Thanksgiving night. It was brought to us via the phone line, we are bringing it to you. Unless asked, I will not single out the 3 groups who didn't show. Just a reminder, Dec 9th at 10am, at this location, flyer flood day. Thanks to our web guru Jeff M. for his service. Our website has been hit a record number of times for the 2nd month in a row with hits from 9 other countries. We received 236 calls to our phone line in Nov. In the coming year we plan to have PI only workshops, no more 2nd chair to H&I. Forever grateful, Jeff G.

H&I- We did a lot of stuff. This being my last month as chair, everyone was very kind. ILS, Tim D.

Literature & Archives- The Dec. newsletter is out. The March topic flyer is on the table. GSRs take note: there will be a Basic Text stories review workshop Jan 14th at 3pm. This will be held at the same place as the Jan event. We received one submission today. The committee selected a new name for our newsletter. Try Recovery Times. ILS, Tom D.

Activities- is working hard to make sure the Dec event has some awesome food and fellowship. Sherry G from Marshalltown is speaking (looking forward to that). Jan event will be held at Link Associates and will be a sock hop. We are working on having all of our events held at Link, more will be revealed on that. ILS, Tya

SCANA convention- Our opening balance is \$1528.70 the money hasn't been touched as per last Area. I was approached by an NA member last month who claimed the convention was missing \$1500-\$2000. There are 45 copies of accounting available for anyone to look at. I hope our Chair will set up an immediate audit committee to audit our books for the past year. We need to decide on a chair today so this committee can get rolling. We attended budget review and submitted a budget. Any questions, feel free. ILS2NA, Shane B.

RCM Report
December 3, 2006

Hey –

The Region met in Hills, IA on November 18th 2006.

Open Forum

The first topic, was to have an extra day on the years that the World Service Committee meets for the RD and RD Alternate to have an extra day to put out all the information they were given the week they attended at World. Some of the suggestions that came up;

- One was to have the extra day on the Sunday after June's Region, which would require a couple of area's to move their Area meeting to another Sunday for that Area. How willing would we be to change our area for that one meeting every 2nd year?
- The next idea would be to change region back to the 3rd Saturday in May and then have another day some other time
- An idea the RD Alternate came up with was to have a time set aside at IRCNA to put this information out.

The second topic was whether a person should be a Vice Chair of a subcommittee and an Alternate RCM.
