OFFICERS REPORTS:

Chair: Thanks to all who helped me last month when I was unable to make it due to the birth of my son. I feel as though I am a little behind in what is happening but I am glad that N.A. has shown me to focus on the solutions and not the problem. Thanks for allowing me to serve. ILS **Leon D.**

Vice Chair: All sub-committees met today and are going fine. Thank you for your support in allowing me to serve in this position. ILS **Tom D.**

Secretary: For those that live glass houses you may proceed to throw stones now....NOT! Your minutes are last minute down to the wire due to my computer crashing. Our wonderful Vice Chair has assisted in brain storming ideas to be more affective as your Area Secretary. What we have concluded is that the majority of the minutes will be typed as we go. Your monthly reports may be e-mailed or turned in at area. The plan is to have minutes done timely per Area policy. Change is good! I am confident that this will be a good year as we get out of the way and let a spiritual God centered conscious lead the way. ILS **Wanda P.**

Treasurer: Well here we go ready or not. A new year of business has begun for this body. I trust that this year's business will go as smoothly as last years. Thank you for the donations and making them easy for myself and our new co-treasurer Jody.
